Intro: Say your name and what study programme you studied in New Zealand and at which institution. Maybe also mention your home institution. Please mention if you did a double degree in NZ or “just” a semester abroad.

Body: influencing factors why you chose NZ as study destination, what was the biggest hurdle and how did you overcome it, how did you feel after you decided to study in NZ?, and how did your expectations compare to the reality in NZ, available funding and funding received (if any), details of your study programme in NZ (courses, course content, how you found the tutors), how your study programme in NZ compares to study programme in GER, what is different when studying in NZ, what you liked about studying and living in NZ, what you didn't like,

End: Would you recommend to others to study in NZ? Would you choose NZ (in hindsight?) if you'd had the choice again? Do you maybe have other recommendations for prospect students, i.e. how to prepare? What to bring? What to do?

Setting: Face-on talking into the camera is okay, alternatively, you can show pictures of your time in NZ, preferably with YOU in them while you were studying hard or enjoying yourself ☺ !!
